Our Conference Impacts Communities

Thank you for the opportunity to attend the WAEYC Conference; attending rejuvenated me. I feel it is important to be a part of the larger network of directors. Attending the conference allows me to participate in and learn about what is happening at the legislative level. I look forward to sharing information with others.

~Beverly Bell

Our Conference Connects Professionals

I was impressed with the quality of instructors and of their content. I also found it quite affirming to be amongst fellow teachers. I currently teach in a licensed family child care home and find getting together with my peers quite important.

~Maria Stobie

Our Conference Inspires and Rejuvenates

I look forward to the WAEYC conference every year.

The workshops, the keynote speakers and the camaraderie with others in my field all contribute to my renewed inspiration. After attending this conference, I feel more committed than ever to the field in which I work.

~Jenny Hovelman

WAEYC provides services to members and advocates for policies that enable individuals and businesses to provide high-quality early learning experiences for young children.

The need for quality training remains high. In today's environment, it is more important than ever. We ask for your support in responding to this need and providing professionals with the tools and training they require to create high quality early learning experiences for young children.

To this end, we are excited to offer an exceptional professional development opportunity—our Annual Conference—for a 33rd year. We ask that you join us as we connect early childhood professionals across the state and offer the research, information, and conversations that enable them to continue their essential work.

Our Annual Conference is made possible through the financial and in-kind contributions of partner organizations and individuals. Thank you for considering how you can be involved. If you have questions, please contact Missy at (253) 854-2565 x18 or missy@waeyc.org.
